Mauro Marchiaro

ICEG Strategy & Consulting Lead - Accenture

Mauro joined Accenture in 1989 and he is currently the Senior Managing Director responsible for Strategy & Consulting in Italy, Central Europe and Greece which focuses on solving client challenges at the intersection of business, technology and human potential—helping C-suite executives develop strategies to transform their organizations, enabling greater agility and continuous innovation. Mauro is also Growth and Strategy lead for ICEG. From 2011, He's a member of the Italian Executive Committee.

Prior to assuming his current role, Mauro was the Resources Operating Group for Italy, Russia, Middle East, Turkey, Central Europe and Greece while also leading the Growth & Strategy in Europe, Africa and Latin America.

The Resources Operating Group serves the chemicals, oil & gas, forest products, metals and mining, cement, utilities and related industries. Within this role, He was responsible for the P&L of the above industries and market areas.

Mauro's background includes Finance and he has proven experience in leading and developing complex transformation programs for large companies. He is also experienced in the Automotive and Industrial Equipment, Consumer Goods, Transportation, Fashion and Pharmaceuticals industry.
